BIG PROGRAM IS PLANNED TODAY BY THE V. F. W

Parade and Other Features Will Start at 10:30 This Morning

EXERCISES ON MAIN ST.

Big Crowd Expected to Be in Town for Armistice Day Festivities

A big celebration in Nevada City has been planned by the Banner Mountain Post No. 2655 of the Veterans of Foreign Wars. A meeting was held last night at the Odd Fellows Hall where final preparations were made for the big event.

Starting the day will be a parade at half past ten. Many organizations and individuals will take part including the high school band, Roseville post, Roseville auxiliary and colors, high school students and grammar school students. All who wish to join in the parade are urged to do so.

After the parade, memorial services will be held in front of the National Hotel on Broad street. The program will consist of band playing ,an invocation by Rev. Buckner, an address given by Judge Raglan Tuttle, a roll call of the departed comrades, salute, taps, and a benediction given by Rev. Father OReilly. The audience will be asked to participate in the singing of patriotic songs in which the band will accompany.

An initiation and public meeting will be given at 1 o'clock in the afternoon and at 2 o'clock a card party will be given. Benefits from the card party will be devoted to the expense of installing the new auxiliary here. At 6 o'clock a dinner will be given for the Veterans of Foreign Wars and at 7.30 another card party will be given to which the public is invited.

Program

Parade ..... 10:30 a. m.
Memorial Service ..... 11:00 a. m.
Lunch ..... 12:00 noon
Veterans and Auxiliary only.
Public meeting ..... 1:00 p. m.
Open to public.
Card party .....2 to 4 p. m.
Open to public. Admission 25c.
Dinner ..... 6:00 p. m.
Vets and Aux. only. Admission 25c
Card Party ..... 7:30 to 9:30
Open to public. Admission 25c.

Memorial Program

Opening Selection ..... Band
Invocation ..... Rev. Buckner
Address ..... Judge Tuttle
Song, "America" ..... Audience
Roll Call of Dead.
Placing of Flowers, by commander and Army, Navy, Marine Corps.
Salute
Taps
Benediction .... Rev. Father O'Reilly
Star Spangled Banner ..... Band

SKI CLUB TO HAVE CARD PARTY TUESDAY

Next Tuesday evening the Nevada City-Grass Valley Ski Club will hold a benefit card party at the Elk's Hall in Nevada City. The proceeds will be used to help build a 1000-foot toboggan slide at the Central House. This will be the longest toboggan slide in the state of California. A force of five men are at the present time busy on the project. It will be completed in about ten days time.

Several prizes are to be given away, including a turkey as a door prize. Everybody is invited to attend. Admission 50 cents.

PROMISING MINE PROPERTY IN VICINITY OF HOGE MINE

Leo J. Cooley was in Nevada City Wednesday from his mining property about four miles from Nevada City in the vicinity of the Hoge mine. Mr. Cooley states that this property is looking very good with assays averaging $11 per ton and a ledge 18 inches wide. Mr. Cooley thinks this is a continuation of the Hoge ledge.

Mr. Cooley is an experienced man and has designed mining machinery. He is a son of the late J. W. Cooley, well known in this county.

BURGLAR ATTEMPTS TO BREAK INTO STORE

When Bill Jefferies, Nevada City night watchman, was making his rounds last Monday night, he was startled by the sound of breaking glass shortly after midnight. It sounded as if it was in the direction of the J. J. Jackson store on the corner of Pine and Commercial Sts. So Jefferies, who was a couple of hundred yards distant, hot-footed it down to that vicinity. Upon arriving there he saw about a block away the form of a fast retreating figure.

Fear probably lent speed to the fleeing man and Jefferies was unable to overtake him. Coming back to Jackson's store, Jefferies found that the man had broken the left door window, evidently with the idea of reaching in, unfastening the door and making a getaway with some groceries.

Jefferies called Jackson on the phone and the latter, dressing as he went, hurried down to his place of business.

Upon inspection by the two men it was found that no goods were stolen and no damage was done outside of the broken window. Jackson had a new pane put in the following day and was out only the price of the glass.

STOCKTON HILL MINE ROAD NOW REPAIRED

After several weeks of work on the Stockton Hill mine road, the job is now completed. The road from the highway into the mine has been in a very bad condition for several years. With a crew of eight men, Robert Spencer, mining engineer in charge of the Stockton Hill operations, has filled in all of the chuck holes and spread gravel and crushed rock where needed.

This work was done along the three-fourth mile long road into the mine and also from the mine to the tailing dumps, where the mining work is now in progress. The Stockton Hill is located between Grass Valley and Auburn.

The mine is being worked or the values in the old tailing dumps.

Spencer, with T. Wight, who is working with him, recently made negotiations with a Secramento company for the installation of a mill on the property.

After production is in full swing at the mine, Spencer will have several men free to work on another proposition. Early in the week he received a telegram from his head office in San Francisco with instructions to try to locate a placer mine that could be worked with the extra men this winter.

With that in mind, Spencer and his assistant, Fred Oppenlander, have been visiting several hydraulic properties this week in the Nevada City district.

HOOVER MAN PAVES WAY FOR ROOSEVELT VOTES

Ervin Carpenter and Percy Jacobs, who work on the West Star mine, nine miles from Nevada City, had two poor tires on their automobile last week. In fact the tires were so poor that the men thought they would be unable to come to Nevada City to cast their votes for Roosevelt.

Knowing that their employer, M. L. Mitchell, business man of this city, was of a kindly nature, the men appealed to him for aid. They finally prevailed upon him to buy two new tires so that they could come to town. Whether he knew it or not, Mitchell, in buying the tires, bought two votes for Roosevelt. For with the new tires, Carpenter and Jacobs drove to the Indian Flat school house Tuesday afternoon and voted. And the joke of it is that Mitchel was a Hoover man.

The West Star mine tunnel is being driven 1,400 feet in on a 3 to 5 foot wide ledge to a known mineral zone. The men have now gone in approximately 700 feet.

Mitchel expresses the hope that the country will still be on the gold standard by the time the men reach the 1,400 foot level.

Crescent City — California will spend $500,000 improving section of Redwood highway north of here which joins the Oregon Coast highway.

ARBOGAST HAS NICE MAJORITY IN FIRST DISTRICT

Wins Place on Board of Supervisors by Vote of 926 to 598.

The high spots in the general election on November 8th have been pretty well covered so we will touch only on the local issue which centers in the supervisorial fight.

The Democrats swept the country, lead by the president-elect, Franklin D. Roosevelt, whose popular vote totaled 18,872,321, with Hoover receiving 13,513,652. Hoover received 59 electoral votes and Roosevelt 472. It takes 266 votes to elect.

In the supervisorial fight between Eddy and Arbogast the total vote is as follows:

For Arbogast—Indian Flat 29; Gold Flat, 108; Nevada City No. 1, 171; Nevada City No. 2, 178; Nevada City No. 3, 119; Nevada City No. 4, 174; Selby Flat, 69; Willow Valley, 78; Total, 926.

For Eddy—Gold Flat, 80; Indian Flat, 32; Nevada City No. 1, 108; Nevada City No. 2, 115; Nevada City No. 3, 76; Nevada City No. 4, 99; Selby Flat, 46; Willow Valley, 51; Total, 598.

SPRING HILL MINE GETS 18 TONS OF MACHINERY

Eighteen tons of mining machinery were received yesterday by the Spring Hill mine between Grass Valley and Nevada City. The machinery was purchased from different firms in San Francisco and shipped here from that city. The shipment consists of a hoist and all other surface equipment .

The mine adjoins the Idaho-Maryland and is in charge of Clarence Harry, mine superintendent under H. R. Plate, official of the Spring Hill Gold Mines Incorporated of San Francisco.

Contracts for mining work are to be let out Saturday of this week if possible, according to Mr. Plate. It is then expected that actual mining work will begin by November the fifteenth.

INSURANCE MAN OF N. C. ADDRESSES ROTARIANS

At the regular meeting of the Rotary Club in Grass Valley this week, W. H. Daniels, former president of the Hayward Rotary Club, addressed the club on "Rotary Principles and Ideals." He was introduced by Postmaster Phil Seadden of Nevada City. "Dan" was the first president of the Hayward Club and spent most of his life in the Bay district, being an active member while in that district. He is an experienced life insurance man representing the New York Life in Nevada City and surrounding territory.

MAN ARRESTED IN G. V. IS WANTED FOR MURDER

Last week, Officer Otto Rust of Grass Valley, picked up a young man in that city and lodged him in jail for carrying concealed weapons. Giving the name of Eugene Hanson, the 20 year old man was found to be carrying a Colt 45 automatic, a Smith and Wesson 38 revolver and a steel hack saw blade.

Monday, when brought before Judge Oscar Winburn of the Grass Valley Justice Court, the man was sentenced to thirty days in jail after he had pleaded guilty to carrying concealed weapons.

Sheriff George R. Carter, of Nevada County, through communication with the State Criminal Identification Department, learned that Hanson had served forty days in Pomona for the same offense. last September.

Carter also sent finger prints of Hanson to the Washington Fingerprint Bureau in Washington D. C. and received the information that he was wanted in Seattle for the murder of his stepmother there last May. The Bureau also gave his aliases as Richard Carter, Eugene Gaylor and Eugene Hanson.

Elected President

Franklin D. Roosevelt

HOOVER GREETED AS FORMER N. C. RESIDENT

Last Tuesday about 5 o'clock in the morning, several hundred Nevada City residents groped in the dark for several hundred ringing alarm clocks. When their minds had shaken off slumber and they could grasp the meaning of the loudly ringing alarm clocks, most of the residents remembered that Herbert Hoover, former resident of this city, was due in Colfax on the train at half past six that morning.

While pulling one sock on after another, they also remembered that that same Herbert Hoover, who had worked in the Reward and Harmony mines of Nevada City as a miner, was now the president of the United States.

By the time their faces were being washed, most of the residents had remembered that Hoover was to be greeted by many Nevada County citizens at Colfax and that they were to present him with a valuable collecion of specimens from the leading mines now working here. With that in mind, preparation progress was much more rapid and by six o'clock most of the mentioned residents had wound up their automobiles and were on their way.

The gold ore specimens were neatly packed in a galvanized tin lunch bucket, replica of the one used by Herbert Hoover here in 1895. The gift was given into the keeping of Mr. George Calanan, the Nevada City Clerk. Mr. Calanan, one of Nevada County's most trusted citizens, has his own automobile. In the past his automobile has never failed to start, even on the coldest mornings. But, whether it was because the automobile is approaching old age, or because of any nervousness on Mr. Calanan's part, the fact remains that the Calanan automobile did not start as was its want to do in the past.

There was Mr. Calanan, the whole county, perhaps the whole country, was depending upon him to deliver those specimens in Colfax. Even the president himself would be there, waiting to receive those specimens. And the Calanan automobile, bearing the specimens, would not start.

Not that Mr. Calanan would be guilty of any dishonesty, but just imagine what the American people and the president would think if he did not show up with those specimens! Needless to say, the city clerk of Nevada City was rapidly growing frantic. He tried every trick and scheme that he knew of to get the engine turning over. The only way he could do it was with the crank, and he soon grew tired of that.

Finally Mr. Calanan thought of trying hot water in the raidator. He drained out the cold water and rushing into the house quickly heated some water. When the engine thawed out under the warming influence of the hot water—it started, and incidentaly took a great load off of Mr. Calanan's chest. As you already know, the custodian of the specimens had no further trouble and he delivered the gift in Colfax to Judge Raglin Tuttle, who was to make the presentation.

In Colfax the Nevada City residents were joined by several hundred other citizens of Nevada and Placer County, until the crowd that was on hand to greet President Hoo-

(Continued on Page Six)

NEVADA CITY PLAYS SAN JUAN TODAY

Recovering quickly from their 6 to 0 defeat at the hands of Grass Valley high school last Saturday, the local high school football team is ready to beat off the invading San Juan high school from Fair Oaks today.

Early in this week it was learned that "Chich" Barker, flashy Nevada City halfback, will be out of the game for the rest of the season. That tough break is apt to work a hardship on Coach Bev Barron's team in the remaining games. The local team has only a few backfield men on the rooster and the loss of any one of them may prove to be a severe setback.

To strengthen up the backfield, Barron has been developing Bill Sharp into a very fair halfback. Bill has been playing left guard mostof the season, but shows a great deal of promise as a back. Although he is light for the position, he's fast and hard hitting.

Harry Brown, demon right guard for the local contingent, has a badly bruised knee. He will probably start, according to Coach Barron, but will be taken out to prevent further injury at the first sign of distress.

The pulled tendon in Ralph Pierce's arm is sufficiently healed to permit him to play without favoring the member this afternoon. Ralph has played bang-up ball so far this year and he is expected to share a large part of Nevada City's offense.

Regular right tackle, Casci, received a bruised shoulder last week. Probably when he threw Hawkins for a ten yard loss in the second quarter of the Grass Valley game. His shoulder is pretty well healed by now and the man mountain should be at his best this afternoon.

Moore's bad foot and Schiffner's generally battered up torso are well past the danger point now and these boys will show no ill effects from the hard game last week.

Barker has been appointed Athletic Manager for the high school by Principal Kjorlie and Coach Barron. Barker should fit into that position very nicely as he has a good knowledge of athletics and team functions.

Two new boys have come out for the team this week. Their presence should add to the team strength. Fred Browning, a tackle, is showing some good form at that position. The other player, Wally Moore, is a halfback. Wally was out for the team earlier in the year but dropped out due to some scholastic ruling. He has just been declared eligible this week and his presence takes the sting out of Barker's absence. Moore is said to be a second Painter.

Early in the football season, the local team traveled to Fair Oaks and put up a whale of a battle against the same San Juan football team that they are playing this afternoon. The game was one of the best high school games to be played for years, according to spectators. San Juan won by a nose, 13 to 20. With much more experience now, the local boys are conifdent they can win today.

Coach Barron says that with any kind of breaks at all, Nevada City will emerge the victor. He has drilled his men all week on a pass offense that should connect for several substantial gains. He has also worked them on pass defense and if San Juan attempts to pass, they will have to get up pretty early in the morning to get by the Nevada City secondary defense.

All week the boys have been working hard and showing a lot of fight.

Although San Juan will present a still heavier line-up than Grass Valley did last wek, Nevada City's speedier and more clever team should do much to even up the potential scoring strength of the two elevens.

In the game played at San Juan, everyone noticed the clean sportsmanship displayed by both teams. The referee, the San Juan coach and the San Juan principal, were high in their praises of the clean game that Nevada City played. Even the San Juan players were surprised to learn that football could be played so hard and clean at the same time. And the San Juan boys are a pretty clean outfit themselves.

As this is to be the last game played by Nevada City high school, it is hoped that a lot of support will be shown by residents here. Most everyone gets a holiday today and it is a good chance to see the progress the team has made in a few short weks this season. Admission will be 50 cents for adults and 25 cents for students.

PLANS ARE BEING MADE TO TAKE THE REDMEN HALL

City Trustees Discuss Matter at Meeting Held This Week

NEEDED FOR COMMUNITY

Firemen Are Interested in Rehabilitating the Hall for Civic Purposes

Thursday night Mayor R. J. Bennetts called a special meeting of the city officials, representatives of the Nevada City Fire Department and the stock holders and creditors of the Redman Hall Association. The meeting was held in the city hall and there the men discussed the ways and means of saving for municipal and high school use, the Redman Hall on Broad Street of this city.

It seems that for certain reasons the Redman Lodge of this city is contemplating the abandonment of their hall. As the Redman Hall is the only place that basketball games can be held in Nevada City, something must be done soon to prevent its being wrecked or disposed of in some other manner. The season is nearly here.

Judge Nilon, the city attorney, was called upon to pass on the legal end of a transaction of the hall. The city officials do not feel that they want to obligate Nevada City at this time with extra expenses. They will however, work with any person or organizations that would want to take hold of the financial difficulties now confronting owners of the hall.

The reason behind the city's interest in the hall is to establish it as a civic building and gymnasium. a few weeks ago the Nugget ran an editorial stressing the need in Nevada City for a municipal auditorium. The need at this time is very much aggrevated because of the fact that nearby high schools have recently objected to playing basketball in the Redman Hall, as it is today. The hall is very much in need of repairs. Not only is it dangerous to play in, because of the broken locker doors and slippery floor, but the unsanitary dressing and shower rooms make it a menace to health. Small wonder that competitive teams do not care to play against Nevada City high school.

As it stands now, the local high school may actually have to abandon its basketball team. And a high school without a basketball team is unheard of these days. Many students would prefer to go to the Grass Valley high school where teams are assured. Whole families would perhaps stay away from Nevada City on that account.

Mayor Bennetts says that a plan will be worked on whereby the city, with the aid of some other organization, can utilize Redman Hall to fill the very apparent need for a civic hall. As it is now, Nevada City is very fortunate to have the Redman Hall. It is the only place of its kind here. With some renovating and cleaning work done, it can do very nicely for the present.

It is understood that members of the Nevada City Fire Department are considering working out the problem with the city. They are going to hold a special meeting to discuss the matter within a few days.

City officials are going to make a further study of the situation and next week another meeting will be held.

C. C. MITCHELL ERECTS BUILDING NEAR HERE

Several months ago, C. C. Mitchell, living across the South Fork of the Yuba River on the Downieville road, sold his minin gproperty and prepared to retire.

Now he has acquired a group of placer claims on the South Fork and is putting them in shape to work. He has been working on several buildings and plans to continue an active miners life. All of which goes to prove that once a miner always a miner.

LOYALTY

In all communities, we find a group of loyal citizens who support practically every civic movement which tends to improve local conditions for themselves and neighbors.

The "Join the Chamber of Commerce." the Service Clubs, uphold the churches and schools, endeavor to seek the best of their number to handle the community's body politic, but when it comes to patronizing their local dealer, they are entirely without scruples.

A tour of the Twin Cities shopping district will convince the most critical buyer that here is merchandise to fit any requirement, whether it be furniture, shoes, groceries, drups, confections, dress goods, automobiles, jewelry, lumber building materials or any other commodity that the heart desires and at prices averaging lower than in the larger centers.

The merchants and their employes are your neighbors and friends; their interests are your interests, their success, your success.

Their investments are here for your benefit and you will find them always at your service.

Patronize your local dealer if you will build up your community.

Patronize your local dealer, if you will increase property values.

Patronize your local dealer, if you will help the local unemployed.

Patronize your local dealer if you will save money and you can retire at night with a clear conscience, knowing that you have done your duty as a citizen and your bit toward overcoming the so-called depression which will soon fade away and become nothing but a memory if everyone does his duty.

NORTH SAN JUAN

NORTH SAN JUAN, Nov 9,—The election has taken up everyone's attention this week but now that it is over we can all go on about our daily duties the same as usual for another four years.

There are 114 registered voters in the San Juan precinct this year, the largest number for many years as the usual number has been about seventy.

Walter McCullough was over from Grass Valley on Monday.

W. P. Clerkin, Miss Millie Clerkin and W. I. Snook, were down from Pike on Tuesday, being registered here.

Mr. and Mrs. George Luke have moved into the Garnet place, one of the old landmarks on Main Street.

Mr. Luhr's parents of Reno are here for some time. Mr. Luhr, Sr., is a carpenter and will remodel the house for his son and wife, making an attractive bungalow out of it.

Mrs. Wodell has had a new iron roof put on her brick building.

Stanley Bice and Norman Dahneke have returned from Holland Flat, where they were doing some work for a hydraulic mining company. They say there were two feet of snow at the Flat when they left.

Mrs. R. C. Dare and Mrs. Hallett of French Corral, called on friends in town on Monday.

Mr. Tracy and partner of Marysville, spent Tuesday night in town. They, with Mr. W. P. Clerkin are interested in a new quartz mill and are to install one in a mine at Granitville.

On Sunday a Ford sedan and a Hudson coupe had a head on collision on the highway at one of the turns a mile from town toward Freeman's Crossing. Charles Ennis towed the cars into town and repaired the damage on both. Fortunately no one was injured. Mr. and Mrs. Davis and son of San Bernadino were traveling in the Ford on their way home from Oregon. A young man from Nevada City was driving the other car.

The middle of the road is not a safe place for any car on the short turns which are numerous on these mountain roads.

LEGAL NOTICES

State of California
Department of Public Works
Division of Water Resources
Sacramento

NOTICE OF APPLICATION TO APPROPRIATE WATER

Applications 7024 & 7113

NOTICE IS HEREBY GIVEN, That Edward Bickel, P. O. Box 881, Nevada City, California, has applied to the Division of Water Resources, Department of Public Works, State of California, for permits to appropriate unappropriated water, subject to existing rights.

Description of Project
Application 7024

Date Filed: July 31, 1931.

Water to be Appropriated from: Greenhorn Creek, tributary to Bear River.

County of: Nevada

Amount applied for: 38 cubic foot per second.

Diversion season named: January 1st to December 31st of each season.

Water to be used for: Mining & Domestic purposes.

Point of Diversion within: NE¼ of NW¼ of Sec. 10, T. 16 N., R. 10 E., M. D. B. & M.

Place of Use described: Sailor Flat mine of Fenton Gold Mining Corp., within Sections 4, 5 & 8, T. 16 N., R. 10 E., M. D. B. & M., as shown on map filed with the Division of Water Resources.

Water will be returned to Greenhorn Creek within NW¼ of NE¼ of Sec. 8, T. 16 N., R. 10 E., M. D. B. & M.

Application 7113

Date Filed: November 2, 1931.

Water to be appropriated from: Little Greenhorn Creek (sometimes called Spanish Ravine) tributary to Greenhorn Creek, thence Bear river.

County of Nevada

Amount applied for: 15 cubic feet per second.

Diversion season named: January 1st to December 31st of each season.

Water to be used for: Mining & domestic purposes.

Point of Diversion within: NW¼ of NE¼ of Sec. 4, T. 16 N., R. 10 E., M. D. B. & M.

Place of use described: Sailor Flat Mine of Fenton Gold Mining Corp., within Sections 4, 5 & 8, T. 16 N., R. 10 E., M. D. B. & M., as shown on map filed with the Division of Water Resources.

Water will be returned to: Greenhorn Creek within NW¼ of NE¼ of Sec. 8, T. 16 N., R. 10 E., M. D. B. & M.

Relative to Protests

Blanks upon which to submit protests will be supplied free upon request by the Division of Water Resources.

Any person desiring to protest against the granting of such permits shall within 60 days from date hereof, file with the Division of Water Resources, Sacramento, California, a written protest. Such protest shall clearly set forth the protestant's objections to the granting of the applications and shall contain the following information:

(1) Statement of the injury which would result to protestant from such appropriation and use.

(2) The basis of protestant's water right.

(3) Protestant's past and present use of water both as to amount used and land irrigated, or use made of water if other than irrigation.

(4) The approximate location of such land or place of use and of the point of diversion of the water.

A copy of the protest should be sent to the applicant and this office notified that the same has been done.

SUMMONS

In the Superior Court of the State of California in and for the County of Nevada.
No. 6085

Action brought in the Superior Court of the State of California, in and for the County of Nevada, and complaint filed in the office of the Clerk of said County of Nevada.

Corporation of America, a corporation,
Plaintiff,
vs.
Augustus Stenger, Margaret H. Dickerman, Thomas W. Richards, M. Rosenberg, also known as Morris Rosenberg, and Rose Rosenberg, his wife, John Doe, Richard Roe, Black Company, a corporation, and also all other persons unknown claiming any right, title and estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto,
Defendants.

The People of the State of California Send Greetings To:

Augustus Stenger, Margaret H. Dickerman, Thomas W. Richards, M. Rosenberg, also known as Morris Rosenberg, and Rose Rosenberg, his wife, John Doe, Richard Roe, Black Company, a corporation, and also all other persons unknown claiming any right, title and estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's tite thereto.
Defendants.

YOU, AND EACH OF YOU, are hereby directed to appear and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of Nevada, within ten (10) days after the service on you of this Summons, if served within this County, or within thirty (30) days if served elsewhere.

This action is brought to determine the adverse claims to and the clouds upon the title to the real property described in the complaint herein and hereinafter described by the said plaintiff, a corporation, which claims that by itself, or by itself and its predecessors in interest, it has been in the actual, exclusive and adverse possession of such property continuously for twenty (20) year prior to the filing of the said complaint, claiming to own the same in fee against the whole world, and to have paid all taxes of every kind levied or assessed against said property during the period of five (5) years continuously next preceding the filing of said complaint, and which said property is situated in the said County of Nevada, State of California, and bounded and described as follows, to-wit:

All that real property situated, lying and being in the city of Nevada City, county of Nevada, state of California, particularly described as follows:

All of Lot 5 and the west 20.75 feet of Lot 8 in Block 16, Nevada City, California, as shown on the Official map of Nevada City, made by H. S. Bradley in 1869.

Beginning at a point on the south side of Broad Street from which the corner of Broad and Pine Streets bears N. 72 deg. 26 min. W. 120.57 feet, and running thence:

1. S. 72 deg. 26 min. E. 20.66 feet. Thence
2. S. 17 deg. 06 min. W. 173.00 feet to Spring Street. Thence along Spring Street
3. N. 72 deg. 26 min. W. 20.75 feet to the east line of Lot 4. Thence
4. N. 17 deg. 08 min. E. 173.00 feet to the place of beginning and containing 0.0825 acres, more or less.

AND YOU ARE HEREBY NOTIFIED that unless you appear and answer as above required, the said plaintiff, a corporation, will take judgment for any money or damages demanded in said complaint, as arising upon contract, or will apply to the court for any other relief demanded in the complaint.

GIVEN UNDER MY HAND and the seal of the Superior Court for the County of Nevada, State of California, this 27th day of June, 1932.

NOTICE OF APPLICATION TO APPROPRIATE WATER
Application 6870.

NOTICE IS HEREBY GIVEN that Charles Thompson, care John F. Hoffman, agent, Box 905, Grass Valley, California, has under the date of January 14, 1931, applied to the Division of Water Resources, Department of Public Works, State of California, for a permit to appropriate unappropriated water, subject to existing rights.

Description of Project

Water to be appropriated from (a) Steep Hollow Creek, (b) South Fork of Greenhorn Creek, tributary to Bear river.

County of Nevada.

Amount applied for: 25 cubic feet per second from (a); 25 cubic feet per second from (b); 50 cubic feet per second, total.

Diversion season named: January 1st to December 31st of each season.

Water to be used for: Mining and Domestic purposes.

Point of diversion within: (a) SW¼ of NE¼ of Section 14) (b) SW¼ of NE¼ of Section 20) T. 16 N., R. 10 E., M. D. B. and M.

Place of use described: On Ruth Properties, Ltd., within Section 6, T. 15 N., R. 10 E., Sections 29, 30, 31 and 32, T. 16 N., R. 10 E., and Sections 25 and 36, T. 16 N., R. 9 E., M. D. B. & M., as shown on map filed with the Division of Water Resources.

Water will be returned to Greenhorn Creek at various points within said mining property, principally within NW¼ of Section 36, T. 16 N., R. 9 E., and to Steep Hollow Creek within N½ of Section 6, T. 15 N., R. 10 E., M. D. B. & M.

Relative to Protests

Blanks upon which to submit protests will be supplied free upon request by the Division of Water Resources.

Any person desiring to protest against the granting of such permit shall within SIXTY days from date hereof, file with the Division of Water Resources, Sacramento, California, a written protest. Such protest shall clearly set forth the protestant's objections to the granting of the application and shall contain the following information:

(1) Statement of the injury which would result to protestant from such appropriation and use.

(2) The basis of protestant's water right.

(3) Protestant's past and present use of water both as to amount used and land irrigated, or use made of water if other than irrigation.

(4) The approximate location of such land or place of use and of the point of diversion of the water.

A copy of the protest should be sent to the applicant and this office notified that the same has been done.

EDWARD HYATT,
State Engineer.

THE PEOPLE HAVE SPOKEN

Exit J. P. Morgan and Company! The People of the United States have decided to take the government out of the hands of the international bankers. The election of Franklin D. Roosevelt is the greatest triumph of the common people in the history of the United States. And it might well be said that the G. O. P. has definitely passed from the picture for some time.

The fact that the new Congress will be almost entirely Democratic will be a big factor in getting things done in the interest of returning prosperity in the United States. The Democratic party is pledged to a platform that should begin to get results as soon as Roosevelt takes office in Washington. In the meantime the heartening effect of the change will make itself felt in renewed optimism and hope. It will take time to make any material change in the situation, but "the new deal" is now assured, and we believe there will be an immediate change for the better throughout the country.

It has been well said that "you cannot fool all the people al the time," and in spite of every effort on the part of Republican orators to becloud the issues and fool the voters Mr. Everyday Citizen refused to be cajoled, bulled or misled as to the real facts of the situation.

It is confidently expected that the election of Roosevelt will result in better relations with foreign countries, better regulation of domestic affairs and in fact a government "of the people, for the people and by the people." The ultimate result will be a better distribution of wealth, more equal opportunities and a more stable prosperity.

THINGS COULD BE WORSE

Could things be worse? Listen to an Associated Press dispatch from Perth, Australia. It tells how the sheep raisers of Northwest Australia are destroying their sheep after shearing because they cannot get even as much as 12 cents apiece for them in the market. They take the wool and then destroy the sheep to get rid of the expense of keeping the animals. Things are far worse in Australia—and in many other countries—than they are in the United States.

NUGGET ADVERTISING PAYS — TRY IT!

ARE YOU Proud of Your Human Machine?

Is it a perfect machine, running smoothly all the time, never stalling, never jarring, never failing to assimilate, always efficiently doing its duty? Or is it a run-down, battered old thing that has lost some of its parts, that is always in need of patching, that works sometimes and falls down on the job sometimes?

Are you proud of your human machine? Or are you ashamed of its lame, halting way of going about its business? Don't blame it. Don't blame fate. Look within yourself. You are to blame if your health is poor and that delicate, wonderfully made machine—your body—does not perform every function naturally, easily and satisfactorily.

There is a cause for every failure of your human machine to function properly. From the brain to every part of your body—to even the minutest cell—there flows a constant stream of vital force of power for proper operation. This force is transmitted through the nerves, and it is only by nerve impingement, or pressure at the point where the nerves emit from the spine, that this force can be hindered or cut off. Sublaxations, or displacements, of the vertebrae (small bones of the spine) produce this pressure.

Here is how we overcome this trouble: When you come to us we X-Ray your spine to positively determine the misalignment. If we see we can help you, we tell you so; if we see that we can't help you, we are frank in saying so. We do not care to take cases we can't help. Remember, dissatisfied patients are poor drawing cards for future business and we are here to stay. In thousands of cases a few spinal adjustments will ave operations or months of sickness or worry if taken care of in time. Our work does not keep you from your work or play. It is not painful. We show you the X-Ray and explain your troubles to you in every detail.

Any sick person who is in doubt as to what is causing their present condition can have a

ADDENDA TO DELINQUENT TAX LIST

NOTICE OF SALE OF PROPERTY AT PUBLIC AUCTION FOR DELINQUENT TAXES OF 1927. ALSO PROPERTY DELINQUENT FOR TAXES OF 1926 FOR WHICH SALE WAS POSTPONED FOR ONE YEAR.

In pursuance to law, public notice is hereby given that, commencing on the 6th day of Dec., 1932, at the hour of 10 o'clock A. M. of that day, and continuing from day to day thereafter, if additional time is required to complete the sale, in the office of the Tax Collector of the City of Nevada, State of California, the undersigned, Tax Collector, will, unless the delinquent taxes thereon are sooner redeemed, or sale postponed, sell or offer for sale at public auction to the highest bidder, for cash, in lawful money of the United States, the several parcels and lots of property hereinafter described upon which date five or more years will have elapsed from the date of the sale of said property ot the city. No bid for said property will be accepted for less than the amount of all taxes, penalties and costs due on said property for the year the same was sold to the city, which minimum amounts are set forth opposite the description of said properties.

In order to entitle the successful bidder to a deed of the property purchased, he must, in addition to the price paid pursuant to his bid at such sale, within thirty days, pay by redemption any and all further delinquent taxes and assessments against said property, together with all penalties, costs interest and charges accrued thereon.

After a bid has been made and accepted at such sale, the right of redemption (except by the purchaser) shall cease.

Dated this 10th day of Nov., 1932.

H. S. HALLETT,
Tax Collector of the City of Nevada, State of California.

The properties to be sold and the subject of this notice are situated in the City of Nevada, State of California, and particularly described to-wit:

Sale No. 1—Marie Clark. Nevada St. Part of Lot 7, block 6. Lowest acceptable bid $20.90.

Sale No. 2—A. J. and May Harris. Part of Lot 4, block 59. Lowest acceptable bid $6.27.

Sale No. 3—Lyman Gilmore. Nevada St. Part of Lot 6, block 6. Lowest acceptable bid $17.17.

"Yes, Dad, I'm taking good care of mother"

NO MATTER where he goes—down town or to places many miles away—this young man's father will be in touch with his home. And that telephone at home will not be idle meanwhile. Running errands, saving steps, it is a comfort every hour of the day.

Always ready—eager and able to do so much—and for so little.

Keep snugly warm with GAS heat

Gas will maintain this "Comfort Zone" 71° 65° at low cost

The Wise Home-owner—Gas Heating keeps his house warm

At eight o'clock tonight there will be happy scenes of living in comfort just like this in more than 143,000 households in every community, city and county alike in Northern and Central California. In such a home no matter how disagreeable the outside weather, there is the even glorious warmth of June in every room.

Outdoors it will be cold for several months to come. Of this you may be sure. But the temperature within your house will depend on whether or not you can easily control your heating equipment. Gas heating equipment, controlled by electric button, key or automatic thermostat, does this job well and without bother.

Investigate Gas heating equipment carefully. Talk with friends or neighbors whose homes are heated by Gas Controlled Heat.

Then see your local gas appliance dealer or visit the local office of the P. G. and E. Let them explain to you why Gas heating equipment is entirely carefree and will stay that way because there are no mechanisms to wear out or to require servicing. Gas Heating equipment is a long-time investment with little or no depreciation.

CONTROLLED HEAT

With gas fuel you can have maximum heat instantly available and keep it regulated to any temperature desired. Controlled heat from gas heating equipment is possible by merely turning a valve or handle, by pressing a button to get high, low or medium heat, or by setting an electric thermostat to automatically maintain any desired temperature.

What would you think if you were coming down Mill Street some morning and you saw "For Rent" signs in the windows of half our stores? You would be astonished. Yet that is what happens where people do their shopping away from home.

Do your shopping at home—your grocer, clothier, hardware man, Jeweler, Dry Goods—in short your business men each and all hire their salesmen and their saleswomen from your home town, pay city and county taxes, business license, contribute liberally to the community chest, charities, Boy Scouts, holiday parades and celebrations, in fact, anything and everything for the betterment of your community.

Benjamin Franklin said "The use of money is all the advantage there is in having money." Put your dollar to work. Don't send it away and make no profit. Do your shopping at home and make three, one for yourself, one for your merchant and one for your community.

"Do your shopping at home." What if you do have to park around by the high school. When business gets that good it will spread out all over, boost the price of real estate, you can sell those lots you bought ten years ago and there will be plenty of business there too.

"Do your shopping at home," not in Central America or the Hawaiian Islands. Then when you take that ride with your family out into the clear sunshine of the country, flourishing with orchards, green alfalfa fields, contented cows, prosperous farmers, on until you arrive back home in the gloaming. Now who can blame you if you swell out your chest and beaming with honest pride, you look down at the wife and kiddies and say, "I'm responsible for all this because I did my shopping at home."

Howard Hutchins left for Linsey Saturday from Grass Valley.

T. L. Hutchins of Rough and Ready, was in Nevada City Wednesday afternoon on business.

A representative of the Oakland school of Dental Nurses was in town Wednesday afternoon.

Mr. Sam Hamilton of the Western Machinery Company, was a Nevada City visitor from Sacramento yesterday afternoon.

Mr. Calvin Linnell, working on the Harrison French mine at French Corral, was a Nevada City and Grass Valley visitor Wednesday.

Mr. and Mrs. W. E. Moulton of French Corral were visitors in this city Wednesday. They brought Miss Hall with them.

Several head of cattle are running wild on the Indian Flat road just West of this city. They have done considerable damage to some of the gardens in that district.

Mr. Ernest DePratti of French Corral has been staying in Grass Valley all week. The 87 year old civil war veteran plans to go to Sacramento tomorrow on a business trip for several days.

A. M. Ireland, of Long Beach, who is interested in a local mining project, left Wednesday afternoon for home in the South for a two weeks visit. Mr. Ireland has been here all the past summer in connection with his mining interests.

Driving to San Francisco last Monday, Mrs. Ann Larson and her sister Miss Emma Erway of this city, returned last evening at 6:30. They visited many friends in the bay region and report quite an enjoyable trip.

R. C. Caldwell of Walnut Creek, who has been staying in Grass Valley for the past several months, left for his home in the bay region yesterday. He plans to return to this district in the early part of next week. Caldwell is interested in gravel mining here.

John S. Pinney, of the American Type Founders Company, of San Francisco, paid Nevada City a business call Wednesday of this week. Mr. Pinney does not get up this way very often but was agreeably surprised with the business activity of this section.

The new concrete bridge recently put in at city expense on Nimrod street, is now completed but not ready for use. The concrete needs about thirty days for drying and settling before cars should be permitted to drive over it. The construction work was done by Kelliher and Figurski.

J.C. PENNEY CO. INC.
DEPARTMENT • STORE
GRASS VALLEY, CALIFORNIA

TO THE VOTERS AND TAX PAYERS OF NEVADA COUNTY, CALIFORNIA.

Friends:—

The County Clerk's office of the County of Nevada does not in any way intend to enter into any newspaper controversity with the Editor of the Truckee Republican, or any one else. over the matter of giving out advertising and printing by the County Officers of the County of Nevada.

The County Clerk of this County has nothing to do with any advertising or printing except in relation to the County Clerk's office. Each County Officer purchases his own supplies and does whatever advertising as required by law, that effects his own office. And each of the County Officers does not interfere in any way with any other office or officer.

The County Clerk's office of this County is a public office and it's records are public records and any person desiring any information relative thereto, can get it. This office has nothing to conceal in any manner, shape or form. There is nothing secret here in this office that cannot be shown to any one. All warrants paid by the Treasurer, for any purpose whatever, are itimized and on file, and open to the inspection of any one.

A letter was received from Mr. Stanley Bavier owner and Editor of the Truckee Republican on October 21st, of this year, requesting that this office send him "by return mail if possible" a statement of the tax payers money expended in Nevada County from the year 1922 to and including the year 1932. In order to obtain correct amount of these expenditures it would be necessary to check the accounts of every County Officer and all departments of the County Government for a period of ten years. At the time this letter was received, the County Clerk's office was working overtime to fulfill the requirements of the laws of the State of California, pertaining to a General Election, and it is not the duty of any officer to stop work, demanded by a statute to compile statistics for the accomodation of any one.

Mr. Bavier was requested to send his own accountant to this office and we would show him where he could get the figures he desired. Mr. Bavier was not refused access to these records and he, or any one else can obtain any information they desire from the records of this office at any reasonable time.

The accounts of not only this office, but of all the County Officers have been passed upon by expert accountants and the accountants who made the audit are surely more qualified to comment on the condition of and the manner of keeping these accounts that any one who has never seen them.

As to when the Board of Supervisors will advertise for bids on printing or advertising, Mr. Bavier will have to take this matter up direct with the Board themselves as it is upon their order that the advertisement for bids is published.

R. N. MCCORMACK
County Clerk and Auditor of the County of Nevada

BEWARE OF BOGUS GOLD

There are a number of men traveling about California selling spurious nuggets principally to unsuspecting prospectors, and occasionly trying to sell to gold buyers.

The bottle in our window contains a sample of the stuff which was offered to H. W. Huckins of North San Juan some time ago.

Mr. Huckins was not caught by the trick but recognized it as bogus gold and took some away from the party where whose name was Fox, whose car was registered from Oroville. Fox could not be held as he claimed to have bought the gold from other parties. Also several prospectors have bought in nuggets, which they bought on the creek from strangers to their sorrow.

Hubert B. Starr and Glen Smith of the Annie Laurie mine, between Colfax and Forest Hil,l returned Tuesday from a weeks visit in San Francisco. Starr made a few days business trip to Los Angeles ,while Smith attended to some matters in the bay city. Starr was a business visitor in Nevada City Wednesday.

Continued from page one

HOOVER GREETED AS FORMER NEVADA CITY RESIDENT

ver had swelled to about a thousand.

Ten minutes late, because of the precautions taken to protect the special train, President Hoover arrived in Colfax at six forty.

When the train stopped, the milling crowd surged around the observation car and loudly cheered the president as he stood between a secretary and body guard. When the demonstration had subsided, Judge Reglan Tuttle, representing Nevada County, stepped up to the president's car and with appropriate words presented our gift to President Hoover.

As the chief executive closed his speech, the first lady of the land, Mrs. Hoover, stepped out on to the observation platform. She was greeted almost as loudly as the president. Three bouquets of flowers were handed up to her and she was very gracious in her acceptance of them. She was surprised to learn that the flowers were not raised in hot houses.

Exactly six minutes after the train stopped, it slowly began to move away from the cheering crowd. Until far down the track, the President of the United States and the First Lady waved a fond goodby
